

Military Specification Packaging Film (MLT1, 2)

MLT1 and MLT2 are waterproof and greaseproof bagging materials that conform to MIL-DTL-117H as Type II, Class C, Styles 1 or 2; MIL-PRF-121G (opaque); and MIL-PRF-22191E (clear) specifications. These co-extruded films have excellent barrier properties, are extremely strong, and have a sealant layer that facilitates high quality seals on Autobag® packaging machinery.

Genuine Autobag MLT1 and MLT2 bags-on-a-roll are a cost effective alternative to kraft paper bags. MLT bags are system-matched and guaranteed to run on Autobag baggers and integrated systems.

User Benefits

- Mil spec compliance
- Excellent barrier properties
- Superior strength with high integrity side seals

Typical Applications

- Government/Military Packaging
- Waterproof or Greaseproof Packaging
- O-rings, Seals and Other Packings
- Food Packaging
- Any application requiring low MVTR and OTR

Technical Specifications

Compliances MLT1: MIL-DTL-117H, Type II Class C, Style 1 (opaque)
MIL-PRF-121G (opaque)

FDA 21 CFR 177.1350 & FDA 21 CFR 177.1520

Compliances MLT2: MIL-DTL-117H, Type II Class C, Style 2 (clear)
MIL-PRF- 22191E (clear)

FDA 21 CFR 177.1350 & FDA 21 CFR 177.1520

Press Printing: Yes

Imprinting: Yes

Trim Seal: No

Mil Thickness: 4.0

Configuration: Autobag with restrictions

Please note: Requires high integrity side seals (HIS) and no holes in the bag for mil spec compliance.
