

AirPouch® EZ-Tear™ Pillows and FastWrap™ Stock List

Automated Packaging Systems is the originator and sole manufacturer of genuine AirPouch EZ-Tear pillows and AirPouch FastWrap bubble on demand products. Since 1962, we have been committed to providing the highest quality poly bags with the shortest lead times in the industry.

Our US plastics manufacturing processes are certified to ISO 9001. Material uniformity and integrity exceed quality standards established by the Flexible Packaging Association (FPA). With multiple manufacturing facilities throughout the world, we offer the largest plastic manufacturing capacity to ensure your supply chain remains constant.

AirPouch EZ-Tear pillows and FastWrap bubble on demand products use EarthAware® biodegradable* (EGDC) and recycled (RGT) materials for strength and durability that improve protection while reducing packing and shipping costs, yet are environmentally friendly. Also available is DuraClear 2000™ (DC2), a specially formulated, linear low density polyethylene with superior durability, puncture-resistance, clarity and strength.

Tier 1 = 2 Working Day Lead Time

Tier 2 = 5 Working Day Lead Time

Bubble and tube dimensions are represented as inflated values.

Delivery of high volume stock material orders may differ from the normal Tier 1 and Tier 2 stock material lead times.

Please contact your Automated Packaging Systems representative for details.

*49.28% biodegradation in 900 days, under **non-typical** conditions. No evidence of further biodegradation.
California currently prohibits labeling any plastic products as biodegradable.
